

Highlights: Ohio State Makes A Statement Against Wisconsin

It's hard to believe that Ohio State was able to generate yet another blowout against Wisconsin given the quality of the Badgers, but that's exactly what happened on Saturday afternoon as the Buckeyes swarmed their foes on the way to a 38-7 win. It was a day filled with big plays, big hits and a defensive performance for the record books from Chase Young. For all the highlights, Buckeye Sports Bulletin has you covered.

The game started not with explosive offense, as it has in most games this season, but with excellent defense. Chase Young came out lined up at linebacker and created a tackle for loss on one drive, before grabbing his first sack on the next drive.
