With LSU winning the College Football Playoff national championship over Clemson, we decided to look back into the Buckeye Sports Bulletin archives of our coverage of each matchup between Ohio State and LSU.

The Buckeyes are 1-1-1 overall against the Tigers, including a loss in the 2008 BCS National Championship Game and a win and a tie in the late 80s.

This installment of BSB Reprints travels back to 1987, '88 and 2008 to our detailed coverage of the three overall showdowns between OSU and LSU.
