

Podcast: Alabama Preview

After the most bizarre college football season of all time, it all comes down to this. Alabama against Ohio State, No. 1 vs. No. 3, for a national title that looks, on paper, to be one of the most interesting matchups of the entire season.

To break down that matchup, we're back in person this week and holding out hope for a truly gaudy offensive performance from both sides, because this has been an absurd and obnoxious season and we feel that we deserve a fun national title game.
