

# Podcast: Northwestern Preview (Feat. Ben Goren)

I won't lie to you. The first 30 minutes of this show are just us getting angry at the playoff rankings. Also, this one is briefly explicit, both in the playoff section and in the interview. We mention it on the show as well, but if you're driving with kids or anything of the sort, just be aware of that.

Then, after missing out on the chance to preview Michigan last week, we're back this week with an in-depth conversation with Ben Goren of Forget The Protocol about who you need to know on this Northwestern team, and what the Wildcats will need to upset Ohio State.

Then, we share our own thoughts on the game, the college football weekend at large, and I deliver the best Christmas gift of all to Wyatt prior to a very disheartened conversation about the Browns.
